Product Specification Sheet

Wireless Keypad & Mouse Combo

Part #: PAKP003Y01E

Product Description:

The Targus Wireless Keypad and Mouse Combo offers wireless freedom making it ideal for travel. The RF technology provides a clear, uncluttered workspace whilst one receiver connects both the mouse and keypad.

The wireless keypad has full size keycaps and is ideal for data input.

Product Features and Specifications:

- Two products in one - Keyboard and mouse combo set uses only one USB receiver for both products
- Wireless Freedom - RF technology provides an uncluttered workspace, free from cables
- Easy data input - Keypad is small enough for travel and features full-size keycaps for easy input of spreadsheet or financial data
